About AgroFresh

AgroFresh Solutions, Inc. (NASDAQ: AGFS) is a global leader in delivering innovative food preservation and waste reduction solutions for fresh produce. The Company is empowering the food industry with *Smarter Freshness*, a range of integrated solutions designed to help growers, packers and retailers improve produce freshness and quality, and reduce waste. AgroFresh's solutions range from pre-harvest with Harvista[™] and LandSpring[™] to its marquee SmartFresh[™] Quality System, which includes SmartFresh, AdvanStore[™] and ActiMist[™], working together to maintain the quality of stored produce. AgroFresh has a controlling interest in Tecnidex, a leading provider of post-harvest fungicides, waxes, coatings and biocides for the citrus market, including Textar[™] and Teycer[™]. Additionally, the company's initial retail solution, RipeLock[™], optimizes banana ripening for the benefit of retailers and consumers. AgroFresh

has key products registered in over 45 countries, with approximately 3,700 direct customers and services over 25,000 storage rooms globally. For more information, please visit www.agrofresh.com
